1. SCOPE OF SUPPLY

- 1.1 Special Processes: AEI to ABP6-5225;**
- 1.2 MPI to ABP6-5229;**
- 1.3 Cad to ABP1-4041**

Due to the strict aerospace requirements (AS/EN 9100 Aerospace Standard, certifications, regulations and customer requirements / approvals) that Aerosud has to comply with, Aerosud's quality requirements must be flowed down to its suppliers and this is done as a minimum in Aerosud document MQ001-361.
