Dear Bart Wojtczak

Vendor Reference: 102930 LETTER OF APPROVAL

We have the pleasure of informing you that your Quality Management Organisation has been found satisfactory following our recent audit under Survey Report **PG025/18**.

We have therefore continued your status as a Safran Power Approved Supplier for Safran Electrical and Power UK Ltd. (Pitstone Green) and/or Safran Power USA, LLC. (Twinsburg, Ohio) and have made the appropriate entry in our Register of Approved Suppliers. The approval, which may be amended or withdrawn with due cause, covers the following manufacture /scope:

Electroplating of cadmium, copper, nickel, silver, tin and zinc. Electroless nickel. Anodising. Stress relieving. Painting to Goodrich specifications. Fluorescent dye and magnetic particle flaw detection. Non destructive testing by nital etch

Valid until: **09 March 2020**

Any changes affecting the above scope must be notified, without delay to the Quality Department at either:

Americas: frank.marino@labinal-power.com

Other Locations: pitstone.quality@labinal-power.com

This approval is conditional upon:

- (1) Continued compliance with the quality requirements through the latest Issue of Safran Power Specification PS-06-10 'Requirements for Supplier Quality Assurance'.
- (2) Maintaining your AS9100 or ISO9001 and/or Regulatory Approval

Regards

Quality Administrator
