

Terms and Conditions of Sales:

GENERAL

Quotations are given and orders for work and services are accepted subject only to the following Conditions. Any Conditions which you seek to impose will be inapplicable unless expressly accepted in writing signed by our site Director or Supply chain Manager.

QUOTATIONS

Unless previously withdrawn, a quotation is open for acceptance within the period stated therein, or when no period is so stated, within three months after its date. Oral quotations are for guidance only and are not binding upon us. Written quotations will not normally be submitted, and in any event will not be binding upon us, unless any necessary drawings and specifications have first been submitted to us in writing and, where we deem it necessary, sample components provided to us.

ADVERTISING MATTER

Specifications, descriptions and illustrations contained in our catalogues, brochures or other advertisement matter are intended to give only a general idea of the goods, work or services concerned and none of these shall form part of the Contract.

DELIVERY TIME

Any times quoted for despatch or delivery are estimates only not involving us in any liability for failure to despatch or deliver within such time, and are in all cases to date from receipt by us of your written order to proceed and of all necessary information to enable us to put the work in hand. The time for despatch or delivery shall be extended by a reasonable period if delay in despatch or delivery is caused by instructions or lack of instructions from you or by industrial dispute or by any cause beyond our reasonable control. Any despatch dates given in our quotation or our acknowledgment of order are subject to confirmation upon receipt from you of a definite date for receipt of goods into our works for processing.

Revised improvements to quoted delivery times are confirmed in writing by the Production team only.

COLLECTION/DELIVERY CHARGES

Any quotation given by us is for processing services only and does not include the cost of transport from and to customer premises. Our delivery service is ex-works. In some instances collection and delivery will not incur any additional charge; however, this will remain at the discretion of the company. Any special arrangement required to be made to meet requirements not previously quoted for will be the subject of an additional charge, in particular, the cost of carrier charges and postal charges, unless otherwise agreed in writing.

PAYMENT

(a) The prices quoted or given in our acknowledgment of order are strictly net and exclusive of Value Added Tax. Payment shall be due, together with the costs (if any) of carriage, packing and any special tests, certification or any other specific requirements not included in the price on or before the 30th day of the month following the month of despatch of the goods or of notification that the goods are ready for collection where delivery is to be ex-works.

(b) Interest at the rate of 1% per month and proportionately for part of a month shall accrue on all overdue payments.

PRICES

As the company is fully computerised, quotes from the system cannot be matched to orders without the correct reference and a purchase invoice without reference will be treated as T.B.A. Due to this, prices may differ from the given quotation although the invoice price will stand. Customers must state the quote reference number on all purchase orders.

If by reason of any increase in the rates of wages payable to labour or in the cost of material, fuel, gas, electricity, insurance, transport or other services or of conforming to such laws, orders, regulations and bye-laws as are applicable to the work or apply to or affect us in the performance of our standard for return obligations under the Contract shall be increased, we may give notice in writing to you increasing the contract price to such amount as is stated in the notice. Any increased price shall be payable as from the date of the notice as if it were the original contract price, and a price so increased may from time to time subsequently be further increased in similar manner. Provided, however, that if within 8 days after receipt of any such notice, you give notice in

writing to us to cancel the balance of the Contract, we shall be entitled to complete and charge for any such articles as we have begun to treat at the time of receipt of notice from you at the price prevailing immediately prior to the date when notice of increase was given.

DEFECTS

We shall be under no liability howsoever arising in respect of any defect appearing in any goods, component or parts (including failure to provide colour matching between different batches) at any time which is due or partly due to the material of which the same is made, its design or method of manufacture, or any process or treatment applied thereto by any person other than ourselves.
