Subject: **Approval Letter**

Mr. Simon Jones,

De Havilland Aircraft of Canada is pleased to inform you that NU-PRO LTD. located at the above noted address, is now approved and holds the following De Havilland approvals:

- **Approval classification A-Subcontractor, Heat Treat to PPS 30.06 with limitation for embrittlement relief only**

This approval will be maintained on the condition that your company continues to comply with DQD 4.6-40 Rev 0, Quality Requirements for Suppliers, and maintains acceptable product delivery performance.

De Havilland Quality may elect to audit your facility at any time during or prior to any contract, in order to:

- Assure continuing compliance with contractual and quality requirements.
- Investigate any quality problems and assure that effective corrective action measures are implemented.
- Evaluate the effect of any change in facility, process, equipment or management.

Your approval status will be periodically reviewed. Based on supplier performance, the approval status of your facility may be revised. It is De Havilland's policy to purchase only from approved suppliers, who meet our standards of quality and reliability. We look forward to building a mutually beneficial and lasting relationship, driven by a desire for continuous quality improvement.

Sincerely yours,
