Dear Robert Goulding

**Vendor Reference: 102930 LETTER OF APPROVAL**

We have the pleasure of informing you that your Quality Management Organisation has been found satisfactory following our recent audit under Survey Report **PG018/20**. We have therefore continued your status as a Safran Approved Supplier for Safran Electrical & Power (Pitstone Green and Twinsburg, Ohio) and have made the appropriate entry in our Register of Approved Suppliers. The approval, which may be amended or withdrawn with due cause, covers the following:

**Manufacture/Scope:** Electroplating, surface treatments, heat treatment, dry film lubricant coating, non-destructive testing, painting to national/international standards and customer drawing/requirements for a variety of industries including the aerospace sector. The manufacture and supply to customer specifications and requirements of precision machined components and assemblies for the aerospace, defence and general industries. Facilities include CNC machining, conventional machining and chemical milling. Soldering, cleaning and assembly of small electrical units. Lot traceability maintained on all orders.

**Valid until:** 09/06/2022

Any changes affecting the above scope must be notified immediately to the Quality Department at [pitstone.quality.pst.sep@safrangroup.com](mailto:pitstone.quality.pst.sep@safrangroup.com).

This approval is conditional upon:

- (1) Continued compliance with the quality requirements through the latest Issue of Safran Electrical & Power Specification - GRP-0087 SAFe - Safran Requirements for external providers.
- (2) Maintaining your AS9100 or ISO9001 and/or Regulatory Approval.

Regards

*Paul Butcher*
